Pulling into the drive, you will immediately see all the opportunities this unique farm has to offer. If you are looking to start a farm or livestock operation, are a serious hunter, or simply want the tranquility of a quiet country home with acreage, this farm has it! The fenced pasture gives you plenty of room for livestock or starting your own hobby farm. Adding a touch of character to property is the 4 bed/2 bath farmhouse reconstructed from an early 1900’s church. A 40x60 pole building was previously used for a cattle operation and a detached garage is in place for extra storage. In addition, a one of a kind late 1800’s peg and beam barn relocated and reconstructed from Goshen Indiana is perfect for gatherings, events, or storage. Also relocated and adding to the history of farm is the original Ritchie Railroad Depot building from the 1800’s registered as a historic landmark in Will County.

Walking to the south you find the true hidden treasure of tranquility this farm has to offer. The timber is covered in deer and wildlife sign and sets up perfectly for hunting with multiple pinch points and tree stand locations. The tillable and hay fields provide great income and endless food plot opportunities. With the picturesque view of the Kankakee river from your tree stand it would be easy to lose yourself in seclusion that makes this farm so special. So peaceful in fact that you may wish to build a second home on the south side of the farm. Don’t miss your opportunity to own this rare unique property just a short drive from Wilmington, Manteno, Kankakee, and Chicagoland!
